## Sizing Guide

Many items of school uniform are sold as a specific size (not by age), if you are used to buying by age we advise that you measure your child and check the Age/Inch size guide below. Where applicable, we have Age and Inch sizes on our drop down size selections for each garment.

Garment sizes in inches are a 'To Fit' size, therefore if your child measures a 34" chest we would advise you to order a 34" chest as garments are made to fit that chest size.
